## Property Description

This two-level, neo classical home sits in the middle of Manuel Antonio, located in the gated and popular community of El Sato and enjoys great privacy and ocean views. The house has an established vacation rental program, excellent reviews and nearby property management. The long private drive leading to the parking area gives it an estate-like feel, and the tropical gardens and surrounding forest keep the wildlife in close sight. There is an attached portico for covered parking, and a beautiful formal entrance with a twenty-foot-high ceiling. Upstairs is one large great room with a living area, dining area, well-appointed kitchen, pantry, storage area and a half bath. Also, on the upper level, which features vaulted ceilings and exposed wood beam trusses, is a handy storage room. The layout is very user-friendly and visually attractive. There is also a large, covered terrace which overlooks the pool, gardens and out towards the Pacific Ocean.
