Property Description

¡Welcome to this new on the market Bauhaus-Inspired Modern Home! This 220 square meters of construction is ideal for elegant entertaining in a resort-like setting: spectacular views, incredible exterior and interior design, terraced landscaping and incredible swimming pool. ¡Located in a coveted area of Atenas, in one of the most exclusive gated-communities! Combining the charm of a comfortable family home with the elegance of a distinguished-looking residence, the house was designed with modern family living in mind. The main structure is an architectural masterpiece of light and openness. The open-plan living area connects the kitchen, dining area and living room. The chef's kitchen is an open concept featuring rich medium dark wood cabinetry and gray granite counter tops. An oversized Center Island provides seating for four. Walls of glass in the great room flood the home with natural light and open onto covered decks for the quintessential indoor/outdoor living experience.
