Property Description

This property has it all, amazing location in the tranquil community of Hatillo, only 7 min from Dominical, super private and on a well maintained easement road with multiple building areas. One large building pad is already in place overlooking to the mountains and partially to the ocean, surrounded by secondary and primary forest within its boundaries. The property has a creek all year round that runs on the back, just imagine taking a walk to listen to the river, get your toes dipped in the water or just relax listening to the sound of the running water from your living room or balcony. It has water and electricity, no need to worry about that. It's ready to start building your dream home, or your income generating rental or retreat.
