Property Description

Welcome to this exceptional income property, a sprawling natural paradise spanning over 25 hectares (62 acres) of pristine forest. Nestled in the breathtaking surroundings of Tinamastes, this property offers unparalleled opportunities for sustainable living and potential business ventures.The property is blessed with the presence of three upper course rivers, flowing through its expanse and providing pure mountain water. Three picturesque waterfalls further enhance its natural beauty, creating a serene and enchanting environment. The higher altitude location ensures fresh temperatures and abundant resources, making sustainable living a viable option.Originally established as a renowned retreat center, this property has gained a reputable reputation for promoting well-being and harnessing the unique energy of its surroundings. However, its potential extends far beyond its current use.With an elevation ranging from 1400 to 2000 feet above sea level, the property enjoys a pleasant climate with cool mountain breezes, providing a refreshing and comfortable atmosphere year-round.
