Property Description

Situated above the new boutique-hotel 'O'Pacífico', this lot is ready to build. The owner built an impressive stone wall and started the excavation for a two-story home but never completed the project. The ocean views are breathtaking, extending across the gulf to the mainland. You can see the gulf islands and ferry boats crossing the waters. All the services are at the lot. Priced for a quick sale, so if you are considering an impressive ocean view home, this lot is perfect for you.
