Property Description

This one-level, modern luxury home is located only 10 minutes from the Marina Pez Vela in Quepos and 15 minutes from the world class beaches of Manuel Antonio. The approximately 1.5-acre property is fully fenced, and gated, and has a long internal driveway, friendly rolling topography, a dog run, mature landscaping, and beautiful mountain views. The grounds have mature fruit trees and afford plenty of additional space for further construction of additional dwellings for guests, a family compound, rental purposes, or even the creation of a wellness retreat center if desired. The gated estate is thoughtfully designed with high ceilings, a flowing floor plan, a beautiful kitchen, and great room area (which opens to the pool), generous outdoor spaces, two guest bedrooms, and a third master bedroom. There is also an outdoor kitchen / BBQ area beside the indoor kitchen and is adjacent to the lap pool area.
