Property Description

This development project is located in Ballena, directly on the Costanera highway, Ballena is the closeness to downtown Utiva makes it economically viable. The green and lush rainforest environment make it a pleasurable sight and recreational experience for guests and visitors. This property's strategic location makes it of immense economic benefit as a hotel property or a development propertyThe project is located in Playa Ballena which is part of the spectacular Marino Ballena Nacional Park, the only marine park in the country and the largest breeding ground of humpback whales in the pacific. In front of Makara sits four small islands, an easy kayak trip from the beach are part of the largest reef on the Pacific Coast of Costa Rica.
