Property Description

This exceptional 1.3 acre property in a well established part of Ojochal offers a standout development opportunity with a newly rebuilt home and plenty of room to grow. The main house features two spacious bedrooms with en suite bathrooms, open living areas filled with natural light, and a large resort style swimming pool perfect for relaxing or entertaining. A separate studio building adds versatility with its flexible indoor and outdoor bathroom and extra space that works beautifully for creative use or guest accommodations. The fully fenced property borders a seasonal creek, adding natural charm, privacy, and a serene backdrop. With generous land to work with, you have endless options — build a guest house, add rental cabins, or create a full retreat center. Thanks to excellent road exposure, the property also lends itself well to commercial ideas such as a restaurant, storefront, or garage.
