Property Description

If you are looking for a home near the beach in Uvita that is stylish, easy to maintain, and ready to enjoy from day one, this property deserves your attention. Located just minutes from Marino Ballena National Park, this modern tropical home offers the kind of lifestyle many buyers come to Costa Rica searching for: beach access, convenience, privacy, comfort, and strong vacation rental potential, all without needing a 4x4. The home was thoughtfully designed around a beautiful mature tree at the center of the property, creating a unique indoor-outdoor living experience that immediately feels connected to nature. The open-concept layout, high ceilings, natural light, and carefully selected finishes give the home a fresh, relaxed, and elegant tropical feel. Built with solid block construction and offered fully turnkey, the property features 3 spacious bedrooms, 3.5 bathrooms, a fully equipped kitchen, air conditioning in the bedrooms, a laundry area, high-speed internet, an outdoor shower, and tasteful furnishings throughout.
