Property Description

Casa Köbö is not just a home — it's a masterpiece that captures your heart the moment you arrive. This brand-new villa was thoughtfully designed to maximize every space while maintaining a seamless connection between indoor living and the surrounding tropical nature. Nestled on 1.6 acres in the mountains of Playa Hermosa, this property offers complete privacy and tranquility, located on a private road just off the main public road. Upon arrival, you're welcomed by a remote-controlled teak gate and lushly landscaped gardens filled with tropical plants and fruit trees that attract wildlife daily. From the spacious two-car carport with teak ceilings and stone pavers, a gently stepped path leads you through the gardens to the home's entrance. The living and dining area feature elegant French-style double doors and floor-to-ceiling glass panels, perfectly framing the ocean and jungle views.
