Property Description

Tucked away in Las Brisas, between Uvita and Ojochal, this property offers the kind of peace that's becoming harder to find. Located at the end of a quiet dead-end road, it provides complete privacy, where the only sounds are the jungle and the breeze moving through the trees. Just five minutes from the main highway, you're close to beaches, restaurants, and everyday conveniences, yet far enough to feel fully immersed in nature. The land is surrounded by lush tropical jungle, creating a serene, calming atmosphere and a true sense of escape. With a building site ready for your vision, this is the perfect place to design a home that reflects your lifestyle, whether it's a private retreat, a family sanctuary, or a peaceful getaway in Costa Rica's southern zone. Here, mornings begin with birdsong, evenings end with jungle sunsets
