Property Description

Selva Comercial is a vibrant mixed-use destination strategically positioned at the gateway to Costa Rica's Southern Pacific region, where the iconic Ruta 34 meets the lush tropical rainforest. Designed to become Uvita's natural gathering place, this thoughtfully planned community seamlessly integrates commercial spaces, modern work environments, and a select collection of residences within a walkable tropical paseo. Blending contemporary architecture with the region's natural beauty, Selva Comercial creates a dynamic environment where businesses, entrepreneurs, residents, and visitors connect. Its prime location offers exceptional visibility, easy accessibility, and proximity to Uvita's growing commercial and tourism sectors, making it an ideal destination for commerce, lifestyle, and community. More than a commercial center, Selva Comercial is envisioned as a thriving hub that reflects the spirit of Costa Rica's Southern Pacific coast—where nature, business, and everyday life come together in one inspiring setting.
