Property Description

Poor health forces the seller to slash the price of this comfortable, 2 bedroom, 2 bath, cabin with views of the famous Whale's Tail to \$125,000!!! That's right - from \$250,000 to only \$125,000!! This rustic log home sits on a little more than 1 acre of land that backs up to the jungle and provides a quiet, private setting. The ocean views can be seen from the front deck; as well as, sloths, monkeys and toucans. The open living room/dining room/kitchen open up to the front and side decks; expanding the living space to 1,200 square feet. In addition to the two bedrooms and baths, there is also a laundry room and large walk-in closet/utility room. This home is in move in condition. Don't miss out on this deal!
