Property Description

Are you looking for a private, well appointed home along the southern Pacific coast of Costa Rica with stunning ocean views, dramatic sunsets and beautiful mountain vistas close to civilization? Then look no more. Oh, by the way, the property borders a nature reserve with a waterfall. This beautiful home sits on 3 acres in the upscale, international community of Lagunas de Baru - just minutes away from the beach, restaurants and commercial services in Playa Dominical. The property enjoys stunning whitewater views to Manuel Antonio, mountain vistas, dramatic sunsets and cool tropical breezes. The 90 acre nature reserve with a 60 foot waterfall that borders the property further ensures your privacy. Completed in 2007, this home's 3,400 square feet of construction was designed with tropical living and entertaining in mind. The great room is the heart of this home, with an open kitchen and living area that flows to the outside dining terrace, landscaped grounds and infinity swimming pool.
