Property Description

This luxury home situated in the Hills of Portalon is simply a jewel. The property consists of over 6 acres of gently rolling hills with plenty of additional useable areas. The setting is private as the property is bordered by reserve forest on one side and a year round flowing stream on another. The community has an abundance of water supply from 2 drilled wells and also natural springs in the reserve area. Private Hillside Location Close to the Beach and National Parks The spectacular beaches of Matapalo are just a short drive away. Situated between Dominical and Manuel Antonio both of these destinations may be accessed within minutes from the property. The oceans views are fantastic sites of Manuel Antonio and white water waves brushing against the shores. You may see the sun setting over the Pacific Ocean all year long. Cool and constant breezes are always present at the 1500 feet of elevation.
