Property Description

Great Buy - Price reduced from \$333,000!! Perfect for surfers or beach lovers, this home is located in the Rain Forest Preserve, just up the hillside from the famous Dominical surf beach and has easy access to shopping, restaurants, and surfing. Just a short hike away is a very private and natural waterfall/pool within the Preserve. This amazing house has huge views of the 1000-acre rain forest canopy from either the wraparound deck or the adjacent large yoga deck. Toucans come to visit most mornings as you lounge in the pool. Have breakfast on the upper deck as you listen to the jungle awakening and see the butterflies and other wildlife come awake. Take a 5-minute walk from the house and you will arrive at the community-owned covered "mirador". This beautiful covered deck has tables and chairs where you can sit and watch the sun go down, enjoy the big ocean views, and be on the lookout for migrating humpback whales.
