Property Description

Hands down the most beautiful waterfall view home in the country this is must see for anyone that wants privacy with a spectacular view and live in a very well built home. Enjoy sitting on your porch sipping coffee over looking the tallest waterfall in the country. Diamante waterfall is over 650 ft tall spilling down a sheer wall of majestic rainforest. With protected reserve all around the base of this waterfall you wont have to worry about any future development getting in the way of your view. This 3 bedroom, 2 1/2 bath CBS construction house that was completed in 2007 is over 2800 + sq ft and fully furnished; linens, dishes, and cookware. Is turn key and ready to live in. House boosts A/C in every room, ceiling fans, large fenced in backyard for man's best friend, 2 car over sized garage with automatic doors, 2500 gal water storage tank with submersible pump for high water pressure inside house, water purifier, and large pantry.
