Property Description

Build your dream home on this exclusive private gated community featuring gorgeous mountain and Ocean views. With asphalt roads leading you up into the first ridge development access is easy and a short drive from the beach. These lots were created with deliberate segregation in mind so that you can enjoy your ocean view, sounds of nature without being close or for most part see your neighbors. With security roaming the premises and an electric gate with security code you will feel safe when building your dream home here. Located just 5 minutes north of the famous beaches of Dominical and its night life you are close enough to town but just perfectly far enough away. Water and electricity are provided to all of the lots in this development. These lots are in a great location, legal water source, tree top ocean views, great roads, and good breezes. You will find these properties priced to sell and are worth a look for anyone interested in building their dream home in a safe community with great ocean views.
