Property Description

This amazing property is beautifully located in Las Olas gated community in Dominicalito, Costa Rica. It is located in front of fascinating South Pacific Ocean, breathtaking sunsets, beautiful white water waves and the daily fishing boats in the bay and amidst amazing jungle canopy and views of monkeys, macaws, parrots and sloths that will entertain you with their beautiful colors and tree activities. Aside from the natural South Pacific Ocean views, the mountainous surrounding gives it a high value of pleasure and fun and private luxury home. The property has a great beach below that is walking distance from the home. The property gives the opportunity for learning how to surf, and snorkel, and other adventurous recreational and sporting activities as it opens to an infinite water pool of the South Pacific. It is located in a development area with other luxury homes and known for great access and amazing views of the white oceans, jungles, and mountains.
