Property Description

Just Reduced, 10K drop!! This beautiful lot is Located in Portalon of Matapalo, it is only 6 minutes from the main highway. Once you get to the community, you will find a full time guard and gate that control de access in and out. All infrastructure such us roads, drainages, power and water are in perfect condition & currently running to the property. The lot offers a multi terrace set up, you can easily built a 3 bedroom home on the main site, a 2 story garage/studio on the 2nd terrace. Both, offers a nice combination of the ocean and the mountain views. In addition to that the lot offers a nice privacy, its one of the back lots of the development and it is surrounded by big trees. The Eco- community is very unique, there are 5+ creeks around & in the mother farm which turns into several waterfalls, natural pools, etc. There is a Communal lot with Rancho for events and trails to the biggest waterfall.
