## Property Description

Located in the Heart of the OSA, this 63 acre parcel is rimmed by flat and gently rolling terrain with a rainforest mountain peak in the middle to back of the property. High spot is perfect for placing a nice hacienda style home, and either gardening or farming the flat lands below or having some horses grazing in the pastures below. Location is with 15 minutes to the closest beaches on the inside of the Golfo Dulce, which is a marine sanctuary, and 25 minutes to town of Puerto Jimenez. The sellers foreclosed on the property, and reason there is such a deal in play. They are up their in age, and just want to simplify their lives. Do not miss out on this opportunity!
