Property Description

Paraiso Encontrado is a gorgeous three-bedroom, three-bathroom luxury villa near the Bohemian town of Dominical located on an approx. 1.5 acre (6,011 m2) lot. More specifically located on the mountain just above the town of Dominicalito, just a few kilometers south of Dominical. This area offers absolutely stunning views of the sunset over the Dominicalito Bay, rugged coastline all the way up to Manuel Antonio National Park, and sprawling rainforest-canopy covered mountains. Villa Paraiso Encontrado is located at an elevation of approx. 1,100 feet, where the temperature is cooler and more breezy and wildlife is very abundant. New owners and guests can enjoy regular visits from monkeys, toucans, sloths, blue morpho butterflies, and other favorite animals that inhabit this area. This area is excellent because it is just south of Dominical where restaurants, bars, and souvenirs can be found and 20 minutes north of Uvita which holds many amenities such as restaurants, supermarkets, and hardware stores.
