Property Description

This is a great property with great mountain views, a beautiful waterfall, and total privacy.Immerse yourself in nature! This amazing property is bordered by a stream that creates some waterfalls and swimming holes, perfect for those who love to be in contact with nature.It is located 30 minutes from the town of Platanillo and it has well-maintained public road access. Half of the property can be used to create some building areas all with great mountain views and with access to the stream.Electricity is 5 kilometers away in San Juan de Dios town, and a water system could be concessioner and created on the property.If you are looking and off the grid place with a remote setting, but still fairly close to amenities then this could be perfect for you!! It is a fertile land used in the past to raise cattle. Access to the property is necessary to cross a medium creek; so 4x4 is needed.The closest town is San Juan de Dios 10 minutes away, Platanillo 30 minutes, 45 Minutes to get to Dominical Beach, and about 45 minutes to get to San Isidro the largest city in the area where you can find everything you will need, supermarkets, hospitals, restaurants, stores medical center, and much more!
