Property Description

Introducing Casa Cascada, a gorgeous 3-bedroom, 2-bathroom home with a stunning view of Isla La Chora. Hidden behind a beautiful teak gate, this 3-level home sits atop a hill surrounded by nature and cooling breezes. Yet it's just 10 minutes from Samara. The first floor features an open concept kitchen, dining room, and living area that extend through two sets of screened double doors to a covered seating area with a view of the ocean. The large kitchen features granite countertops, stainless steel appliances, extra tall cabinetry, and an island provides plenty of room to both cook and entertain. Adjacent to the living area are two bedrooms with built-in closets, a large bathroom, and laundry room. A grand spiral staircase leads you upstairs to an oversized master bedroom with an en-suite bathroom featuring double sinks and a gorgeous tiled bathtub. Accessible via both an internal and external entrance, enjoy the view from the walk-out balcony that wraps around to a large outdoor patio with a pool table, seating area, and a covered staircase leading up to the rooftop rancho.
