Property Description

Plantation Estates is a beautiful and quiet gated community surrounded by nature and conveniently located just 20 minutes from Juan Santa María International Airport. The community features a community pool and clubhouse, playground, underground utilities, fiber optic internet, cable, paved walkways, and gated access with 24/7 security. In addition to the amazing spring weather all year round, the area offers proximity to the surrounding cities of Grecia, Atenas and Palmares, where you can find a variety of supermarkets, banks, restaurants, doctors and more. The property borders a stream and a small forest where the soothing sound of the water can be heard throughout the year. It is common to see toucans and a great variety of birds, in addition to the monkeys that come as weekly visitors. This home was built in 2019 and features a high-efficiency steel frame. The property is equipped with a high-tech solar system to provide close to 100% of the home's energy needs.
