Property Description

Casa Coral is a beautiful 4 bedroom, 4 bath home plus apartment in a private setting just minutes from Playa Carrillo. The main home is over 300m2 of construction featuring an open, airy living space, 4 bedrooms, 4 bathrooms, gorgeous teak ceilings and premium tile floors. The living space extends outdoors onto the large covered patio bordering the swimming pool. The property includes a separate one bedroom apartment currently used by the caretaker which could easily be converted into a rental property. In addition to the apartment is another 30m2 garage with space for two vehicles plus an 800+m2 lot perfect for another structure or large garden. Bordering both the maritime zone and protected lands, Casa Coral is about as close as you can be to the ocean while being titled with a guarantee of privacy.
