- Valley Views

Property Description

Located in an exclusive gated community, it is a convenient 15-minute drive to the town center of Atenas, Costa Rica. Centrally located, it's a quick 40-minute drive to key destinations, whether it's the San Jose International Airport, premier shopping in Escazu, world-class medical centers, or the closest beaches. The 240-degree panoramic views feature long-distance vistas to Barva, Turrialba, Poás and Irazú Volcanoes by day, and twinkling cityscapes by night. Thanks to National Geographic Magazine, Atenas is world-renowned for having the best climate in the world. But what really sets the town apart is the warmth, kindness, and humor of the Tico people, making this an amazing place to live. As the ornate front gates swing open, you will enter a beautifully-landscaped tropical paradise complete with Palm trees, Birds of Paradise and a cascading waterfall. Upon entering the house, the double-height Cedro wood ceilings draw you into an expansive, open-space living area, great for the family and for entertaining.
