Property Description

Without a doubt, this will be one of the most spectacular estates settled in the hillsides of one of our favorite little towns in Costa Rica, Ojochal. The property itself is on over 4000 sq meters (approx.), and you have the option to add on an additional 4000 sq meters of land for a combined package price. Request pricing for the combined package. The spectacular scale and unparalleled quality of the finishes are showcased by this breathtaking brand new "Casa Se Forever". This estate is surrounded by sensational outdoor terraces with an infinity edge pool and sets a new benchmark in designer style and luxury. Created by Benjamin Morris of Paradise homes and architecture Julian Delgado, a palette of chocolate colored woods, tiled floors, furnished, and full height doors highlight the meticulous attention to detail throughout. Direct access to entry introduces a refined open living room space, fabulous bar room with and sumptuous sitting area, and an open fireplace extending out to wide south-facing terraces commanding ocean views.
