Property Description

This brand new elegant home located only five minutes from the heart of Atenas in a coveted gated community was developed with elegance, style and practicality in mind. This 250 square meters tropical mid-century modern home sits on a 12.000 square meters property and has 3 bedrooms and 3.5 bathrooms. The primary bedroom suite is spacious with an attached master en suite bath with dual vanity, walk-in closet and large shower stall. Two additional bedrooms with en suite bathrooms. The open floor plain features expansive sliding glass doors that open up and overlook a serene pool and lush landscape, perfect for entertaining. Modern architecture and exquisite luxury finishes set this home apart, with an open airy feel and seamless indoor-outdoor spaces. And then there's the backyard – paradise. The rear yard is breathtaking and always ready for any and all friend/family gatherings, and features beautiful panoramic mountain views and lush landscaping.
