Property Description

Conveniently located in a quiet residential area about halfway between the town of Quepos and Manuel Antonio National Park this concrete home boosts mountain, valley and ocean views. With 5 bedroom, 4 bath, in three different levels, it has a beautiful swimming pool complimented with an open BBQ area terrace which is a delight for entertaining. The main floor has an entrance from the conveniently located covered garage with door opener that takes to a nicely furnished living area and kitchen in a tropical ambience from the garden outside. Glass doors take to an outdoor terrace and swimming pool with great views of a forest valley on the sides and ocean and city view up front. The Bedrooms are conveniently located on the second floor, the main bedroom has a full bathroom with Jacuzzi and abundant views of the ocean and green areas around the house. There are two more bedrooms and another shared bathroom on this floor.
