Property Description

Casa Bitcoin represents a scarce asset with high utility and proof of ownership. To sit back and enjoy the stunning ocean views before you while daring yourself to take it all in and be in the moment. This extremely beautiful home has a jaw-dropping view of the Marino Ballena National Park's famous Whales Tail, as well as white water sunset views. It does not get better than this for a sunset ocean view oasis. The first striking feature of this immaculate property is the grandiose handcrafted pivot main door, which is a true masterpiece in itself. Once inside you are greeted by another striking feature which is an impressive feature wall made of Indonesian Sandstone as well as a hand carved teak, floating staircase. Pair these features with the vaulted 10 ft ceilings and this home is sure to impress. It continues its indoor/outdoor appeal with floor to ceiling glass sliders that open to the stunning blue ocean views surrounding the home making this an ideal home for entertaining and enjoying.
